

ANCIENT AUSTRALIA UNEARTHED

Using archaeology to teach Australia's ancient history

BACK TO SCHOOL SALE

\$29.95 (25% off RRP)

Drawing on archaeology to map 50,000 years of Australia's ancient past, Ancient Australia Unearthed traces the evidence etched into the skin of this country to reveal the rich and complex history of this unique island continent.

Ancient Australia Unearthed directly addresses the Australian Curriculum: History topic 'Ancient Australia'. It will also have a broad appeal for anyone wishing to gain an understanding of, and a deeper appreciation for, one of the world's greatest stories of isolation, resilience and survival.
